

Tips for Before the Wildfire Hits

- 1. Check your homeowners insurance for adequate replacement coverage.**
- 2. Make a room by room list and photo inventory of all your belongings and store it on-line for future access.**
- 3. Create a disaster plan – where to go, who to notify.**
- 4. Put together an emergency evacuation kit.**
- 5. Go to www.co.valley.id.us and signup for CodeRED emergency notification.**
